

Chaire Francqui 2020

*Macroscopic order from microscopic disorder :
from endogenous noise to
topology driven instability*

Prof. Duccio Fanelli
University of Florence, Italy

Inaugural lecture

Complex systems: physics beyond physics

Tuesday, February 4th, 2020, at 17:00

Auditoire E13

Next lectures

- *Stochastic processes - 05/02/20*
- *Master equation - 06/02/20*
- *Impact of the noise - 18/02/20*
- *Spatially extended systems - 19/02/20*

16:30-18:30 – Auditoire E25

Department of Mathematics : Rempart de la Vierge 8, B-5000 Namur, Belgium
